"/ ir fu	vet more stimulus to support Japan's flagging growth and weakening inflation outlook. All eyes will be on the BOJ at the moment. Policymakers now have the difficult decision of steering into the wind and taking decisive action amid global instability, or sticking to the program and risking further defamation in the court of public opinion," said Martin King, co-managing director at Tyton Capital Advisors.	Marijuana economy may hit \$44 billion by 2020	
V c	While many doubt new measures it will come out of first policy meeting of the year, investors are cautious given BOJ Governor Haruhiko Kuroda has tried to surprise markets in the past. Prime Minister Shinzo Abe may also need a fresh boost to his "Abenomics" drive after Economy Min-		
C n	ster Akira Amari resigned abruptly on Thursday to take responsibility for a political funding scandal. Data published earlier on Friday reinforced concerns about the economy, with industrial output falling more than expected and consumer prices in the Tokyo area showing unexpected weakness, boosting the case for BOJ action on Friday.	Warren Buffett explains why market bubbles occur	
Quotes you view appear here for the quick access.	But many analysts also suspect the BOJ is wary of using its diminishing options to counter what hey see as factors beyond the BOJ's control, such as the fall in oil prices or slowdown in China. The impact of weak demand in China hit Fanuc, which on Thursday cut its operating profit estimate for the year to March by 3.8 percent.		Recent Quotes you view appear here for quick access.
